## SANDIA OUTDOOR DINING TABLE

*Iron Gray*  
**OD-SND3232-STD-IG**

### MODERN OUTDOOR DINING TABLE FOR PATIOS, BALCONIES & HOSPITALITY SPACES

The Sandia Dining Table is a clean-lined, modern dining table designed for both residential and commercial environments. Its simple and refined profile enhances patios, balconies, courtyards, cafés, and outdoor dining areas.

Crafted from durable polypropylene reinforced with glass fiber, this table is built to withstand demanding indoor and outdoor conditions while maintaining its appearance season after season.

### KEY BENEFITS

- Durable all-weather resin construction
- UV-resistant materials prevent fading
- Suitable for indoor and outdoor use
- Resistant to rain, moisture, mold, and mildew
- Easy assembly with no special tools required
- Easy-clean surface — wipe with cloth and water
- Recyclable eco-friendly materials
- Modern, minimalist dining design

### IDEAL FOR

- Outdoor patios
- Balcony dining spaces
- Courtyard seating
- Café and restaurant patios
- Hospitality venues
- Residential indoor dining areas
