## GALLATIN STACKABLE PATIO DINING CHAIR

### KEY BENEFITS

- Traditional wood-inspired design with modern durability
- Stackable structure for space-saving storage
- Durable all-weather resin construction
- Suitable for indoor and outdoor environments
- Lightweight and easy to reposition
- Easy-clean surface — wipe with cloth and water
- Anti-slip footpads for stability and floor protection
- Recyclable eco-friendly materials

### MATERIALS & CONSTRUCTION

- Molded polypropylene resin frame
- Weather-resistant outdoor-safe materials
- Classic X-back support structure
- Stackable design for convenient storage
- Anti-slip floor protectors
- Easy-maintenance finish

### SPECIFICATIONS

- Chair Dimensions: 20.3" W × 21.3" D × 34.8" H
- Seat Height: 17.7"
- Net Weight: 9.7 lb (each)
- Material: Durable polypropylene resin

### DESIGN OVERVIEW

Inspired by traditional wooden X-back dining chairs, the Gallatin chair reinterprets a classic silhouette using modern manufacturing technology. Its distinctive cross-back detail adds timeless charm while the durable resin construction offers greater longevity than wood.
