THERMOFORM TABLE TOPS

Construction

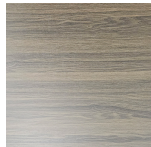

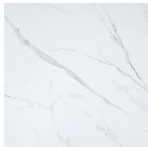

- Continuous thermoformed laminate surface, heat-wrapped over a wood-composite substrate with no edge-banding or T-mold seams.
- 1.25" overall thickness.
- Rounded (bullnose) edges and corners.

Sizes & Shapes

- 24" x 30", 30" x 30", 30" x 48", 30" x 72", 36" x 36", 42" x 42", 36" Round, 42" Round.

Finishes

- Calcutta Marble
- Dark Walnut
- Gray Barn Board

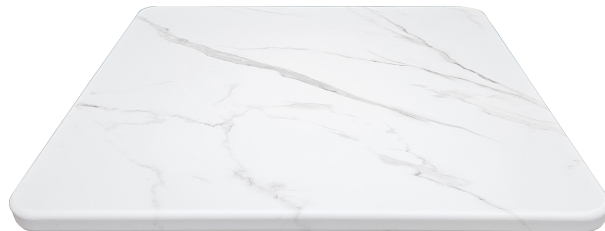

Performance

- Moisture-resistant surface seals out water to prevent swelling or warping of the core.
- Resists scratching, chipping, staining, and moderate heat.
- Rated for indoor use only (wood-based substrate).

Maintenance

- Cleans easily with soap and water — no special products required.

Calcutta Marble

Dark Walnut

Gray Barn Board

Table Size	Calcutta Marble Part Number	Dark Walnut Part Number	Gray Barn Board Part Number	Approx. Weight
24" x 30"	T2430-CM	T2430-DW	T2430-GB	26 lbs
30" x 30"	T3030-CM	T3030-DW	T3030-GB	32 lbs
30" x 48"	T3048-CM	T3048-DW	T3048-GB	51 lbs
30" x 72"	T3072-CM	T3072-DW	T3072-GB	76 lbs
36" x 36"	T3636-CM	T3636-DW	T3636-GB	45 lbs
42" x 42"	T4242-CM	T4242-DW	T4242-GB	62 lbs
36" Round	T36R-CM	T36R-DW	T36R-GB	36 lbs
42" Round	T42R-CM	T42R-DW	T42R-GB	49 lbs

Core Benefits: Restaurant

- Seamless, sealed surface withstands spills, grease, and heavy daily wear without staining or swelling.
- Wipes clean fast between covers, supporting quick table turns during rush periods.
- Resists scratches and chips from utensils, trays, and constant use.

Core Benefits: Hospitality

- Consistent, polished look across large quantities of tables, keeping decor uniform property-wide.
- Moisture and heat resistance stand up to spills and heavy banquet use without warping the surface.
- Durable finish reduces replacement and refinishing costs across high-traffic common areas.

Core Benefits: Senior Living / Healthcare

- Rounded edges and corners reduce injury risk for residents with mobility or balance challenges.
- Seamless surface meets sanitation standards by eliminating crevices where bacteria can build up.
- Easy soap-and-water cleaning supports frequent disinfecting protocols.
- Stain and moisture resistance holds up to spills and frequent sanitizing without deteriorating.
